Dear Friends,

We hope this communication finds you and your family members safe and healthy.

In continuation to our communication dated 25th April 2020, owing to the current exceptional circumstances, we had deliberations over the last couple of weeks. As an outcome of a series of these deliberations, as an interim arrangement, it has been decided to charge Rs.1040 (One thousand forty Rupees) as transportation charge for July 2020. (decision will be taken based on the prevalent circumstances in last week of July for Transportation Charge of August 2020, and the same will be communicated).

In view of ongoing uncertainty, it has also been decided that after a detailed review of transportation services across the entire year with an objective of continuing the optional transport facility, the effective cost applicable per student will be calculated on a Pro rata basis at the end of academic year.

However, if you wish to postpone NACH generation of July transportation charge scheduled on 6th July 2020, you can fill in the online postponement form available on our website www.scwo.org until 30th June 6 PM.

Best Wishes
SCWO
